General Camp Rules

What are the rules at camp?

- Listen and follow instructions
- Participate in camp activities
- Hands, feet and objects to yourself
- Cell phone use only allowed when directed by staff
- Never go anywhere without asking your Camp Counselor
- Show respect for others – All CAP staff, volunteers, fellow campers and animals
- Respect all property and show responsibility for yourself and your actions
- Have FUN!

Rules are posted in the education center and are reviewed with the campers each morning. In the event a child is disruptive, a time-out may be used. If disruptive behavior continues or is severe, the parent will be called to help find a solution. If improvement is not realized, parent/guardian will be contacted and asked to pick up the camper. Examples of unacceptable behavior include inappropriate language, making fun of or insulting others, bullying, using profanity, harming or frightening the animals, physically harming others, not following directions or unwelcome actions that make other campers feel uncomfortable.

CAP staff and volunteers will make efforts to accommodate campers with special needs, including campers with behavioral challenges. Parents/guardians of children who need special attention or have behavioral challenges must notify us of the issue in the "Health Information and Special Needs" section of the registration form. Campers with behavioral disorders that may continuously interfere with or disrupt the camp program may not be suitable campers.

In the event of extreme infractions, the CAP reserves the right to remove a camper from the program immediately without prior warnings. In the event of a termination from the program, the parent/guardian will be notified personally. The day of such action will be the last date the child is allowed to attend. There will be no refunds.
